

IMPORTANT SHIPPING INFORMATION

Prior to the Show

Exhibitors who plan to have Anderson Trucking Service, Inc. (ATS) transport their shipment to the Industry Show, need to have all shipments delivered to ATS Terminals in Barre, VT, Cold Spring, MN, or Elberton, GA by January 4, 2009 to ensure that they are delivered in time to Indianapolis.

Note: All crates need to be clearly marked with appropriate booth information according to the instructions previously forwarded by show management.

After the Show

All crates must be clearly marked as to where it needs to be shipped. It will be the responsibility of exhibitor to mark each crate. A bill of lading must be filled out for each shipment. Labeling is the responsibility of Exhibitor, bill of lading will be supplied to the exhibitor by ATS. ATS and Geo. E. Fern Co. will not be responsible for providing any information on the crates.

Items Sold at the Show

Any item sold at the convention that will be picked up must be clearly marked with the information of the customer (person/company) picking up the item. All fees, if any, for customer pick up must be satisfied with Geo. E. Fern Co. before shipment will be released.

Note. If the shipments will be picked up by carrier other than ATS, arrangements must be coordinated with Geo. E. Fern Co. to ensure a smooth loading process.

Any sold shipment not being picked up at convention center by an alternate carrier and not being shipped back to manufacturer, will be shipped to an appropriate ATS Terminal. Each crate needs to be clearly marked with necessary delivery information to ensure correct delivery It will be the responsibility of exhibitor to mark each crate. A bill of lading must be filled out for each shipment. Labeling is the responsibility of Exhibitor, bill of lading will be supplied to the exhibitor by ATS. ATS and Geo. E. Fern will not be responsible for providing any information on the crates. All shipments that ATS is contracted to deliver will be consolidated at an ATS terminal. There will be no direct freight shipments under 40,000 pounds.
