

Consumer Advocacy Auction Item Donation

The MBNA Consumer Advocacy Program seeks to expose illegal and obstructive practices that prevent consumers from exercising their freedom of choice in memorialization.

As you may know, this program is funded by member contributions and by proceeds from the auction that will be held at the MBNA Industry Show in Indianapolis, IN, in January 2011. Absolutely no funding is secured through MBNA membership dues – making this vital program a challenge to maintain.

The benefits of this program protect you and your customers from unlawful practices by cemeteries and funeral homes. We hope that you will assist us by donating items for the auction. Please participate and help keep the momentum going!!

As a proud supporter of the Consumer Advocacy program of MBNA, please accept the following item(s) as our donation for the *Consumer Advocacy Auction*:
